

## POOL REQUIREMENTS

If a pool is 24" to 48" from ground to top edge of pool a FENCE IS REQUIRED.

**ALL BLOW UP POOLS REQUIRE A FENCE NO MATTER HOW TALL THE WALLS ARE.**

All Pools require an ALARM and will be tested by Code Enforcement Officer.

Electric Supply to pool will meet the National Electric Code and will be inspected by a 3<sup>rd</sup> party electrical inspector and will require a certificate for Town Code Enforcement Officer.

Entrance to pool shall be secured per Code Enforcement Officer.

Wading pools with walls less than 24" have no restrictions.
